OBJECTIVE

To leverage my technical skills and knowledge to contribute effectively to a dynamic team, while continuously enhancing my abilities through learning and experience.

EDUCATION

Master Diploma in Cybersecurity and Ethical Hacking

Boston Institute of Analytics, Chennai

Present

B.Tech (Artificial Intelligence and Data Science)

Saveetha Engineering College, Chennai

2021 - 2025

CGPA: 7.6 / 10

Higher Secondary Education(12th std)

Vivekananda Vidyalaya Matric. Hr. Sec. School

May 2021

Percentage: 92.58%

SSLC (10th std)

Vivekananda Vidyalaya Matric. Hr. Sec. School

March 2019

Percentage: 93%

TECHNICAL SKILLS

Languages: C, Java

Softwares: Fusion 360, Canva, Github, Visual Studio Code, Android Studio

SOFT SKILLS

- Problem Solving
- Time Management
- Critical Thinking
- Adaptable
- Teamwork
- Attention to details

CERTIFICATIONS

- Google IT Support Professional Certificate - **Coursera**
- Java Certified Foundation Associate, Classes & Constructors – **Infosys SpringBoard**
- Machine Learning with Python – **Udemy**
- Cybersecurity for Everyone - **Coursera**

INTERNSHIP

Intern @ Axis Global Automation

(Jan 2023 - Feb 2023)

Learned about fundamental concepts of Industrial Robotics and Automation and also had a practical session

Inplant training @ Zybeak Technologies

(Feb 2025)

15 days training on Ethical Hacking basics, had practice sessions and cleared a CTF session

PROJECTS

TITLE: AI MOCK INTERVIEW PLATFORM USING **MERN STACK**

DESCRIPTION: Built an AI-driven mock interview platform with dynamic question generation, real-time feedback, and a user-friendly dashboard to streamline preparation. Enhanced candidate readiness through personalized insights, automated processes, and efficient data flow, showcasing strong collaboration and problem-solving skills.

TITLE: TAMIL ARTICLE SENTIMENT ANALYSIS USING **BERT MODEL(DEEP LEARNING)**

DESCRIPTION: Built a Tamil-language sentiment analysis platform using BERT for real-time classification across diverse categories. Optimized data preprocessing, model training, and evaluation to enhance performance, delivering accurate insights via a user-friendly interface.
